

ABOUT SCULPTURE EXPERIENCE

The 5th Annual **Kissimmee Sculpture Experience** is an exciting program for Historic Downtown Kissimmee. Brought to you by Kissimmee Main Street, this exhibit of original outdoor sculptures will be on display for one year. The sculptures depict a variety of artistic styles and materials. The artists loan their sculptures to the exhibit and each piece is available for purchase. Each year the sculptures will change and more will be added.

The sculptures not only bring beauty and art to the downtown but also to the public. The experience can be enjoyed by the local community as well as visitors and tourists. The goal of this program is to enhance downtown Kissimmee for both residents and tourists alike while advancing Kissimmee's place as an art and cultural community.

We hope you enjoy the tour of the sculptures and will return year after year for a new experience. Don't forget to vote for your favorite "People's Choice" and "Kid's Choice" sculptures!
